Reading All reading assignments will be posted online. Most of the reading assignments come from a Course Reader prepared by TMD.

Homeworks – There will be one problem set per week covering Topic Nos. 1-14. For Topic Nos. 15-28 there will be approximately one problem set every two weeks.

Exams There will be a Mid-term exam on Thursday, March 14 covering material presented through and including the lecture of March 7.

The Final Exam (Exam Group 13) is scheduled on Thursday, May 16, 2019,
8:00am-11:00am

THE MID-TERM EXAM AND FINAL EXAM MUST BE TAKEN ON THE SCHEDULED TIMES AND DATES.

Grading The grade for the course will consist of the Final Exam (50%), the Mid-term Exam (35%) and Homework (15%).
